

# AIRHEADS POPCORN

Make fun colorful popcorn to share with your friends at a party or just because a snack is needed.

## SUPPLIES NEEDED:

Microwave, Microwave Safe Bowls, Spoon, Microwave Popcorn, Airheads

### STEP 1.

Place 3 Airheads and approximately a table-spoon of water in a microwave safe bowl. Heat the Airheads and water for about 30 seconds, stir until melted and a liquid. Be careful as the syrup will be very hot!

### STEP 2.

Pour the Airheads syrup over the popcorn in a large bowl and stir.

### STEP 3.

Enjoy your candy coated popcorn when cooled. Serve immediately for best taste.
